EDUCATION

B.Tech (CSE)

Amity University Rajasthan

07/2022 - Present,

GPA - 8.4

12th

Modern Sr. Secondary School

07/2020 - 04/2021,

90%

10th

Modern Sr. Secondary School

07/2018 - 01/2019,

85%

WORK EXPERIENCE

Java Trainee + Intern

Ducat

06/2025-11/2025, Achievements/Tasks

Noida (Hybrid)

- Developed Java-based applications using **OOP principles, collections, and exception handling.**
- Implemented **JDBC connectivity** for database operations with MySQL.
- Debugged and optimized code to enhance application efficiency and reliability.

Web Development Intern

Acme grade

06/2024 - 08/2024,

New Delhi (Virtual)

Achievements/Tasks

- Designed and developed responsive web pages using **HTML, CSS, and JavaScript.**
- Integrated APIs and databases to enable dynamic content and user interaction.
- Tested and debugged applications to improve performance and usability.

TECHNICAL SKILLS

Programming Languages

Core Java, JavaScript, .NET

Web Technologies

HTML5, CSS3, Bootstrap

DataBase

MySQL, JDBC

Tools

Git, GitHub, VS Code

Core Concepts

OOPs, Collections, Exception Handling

SOFT SKILLS

Problem Solving

Adaptability

Attention to Detail

Team Collaboration

Analytical Thinking

Time Management

PERSONAL PROJECTS

E-Commerce Website

- HTML, CSS, JavaScript
- Developed a responsive e-commerce platform with interactive UI components.
- Implemented client-side logic using JavaScript for enhanced user experience.

Student registration System

- Java, MySQL, JDBC
- Built a web-based application to manage and store student data securely.
- Implemented form validation and database integration for reliable data handling.

Rock Paper Scissors

- HTML, CSS and JavaScript
- Created an interactive browser-based game using event listeners and conditional logic.
- Improved JavaScript skills through DOM manipulation and user input handling.

E-Learning Website (Learnova)

- CSS, JSP, JDBC, MySQL and Servlet
- Learnova is an interactive e-learning platform designed to make learning simple, accessible, and engaging. Built using JSP, Servlets, and CSS, the platform provides a dynamic environment where users can explore courses, access study materials, and enhance their skills efficiently.

ACHIEVEMENTS & ACTIVITIES

Volunteer, Registration Management Team - Amity University Rajasthan (2024)

Core Head, Odyssey Event - Amity University Rajasthan (2023)

2nd Runner Up for BGMI contest, Odyssey held At amity

University Rajasthan, 2024.
